ONE

The All Inclusive Lease Solution

Our ways of getting around are evolving and so are those of your company. Kinto One All Inclusive Leasing offers cost effective mobility solutions to keep your company moving.

## WHY KINTO ONE?

With Kinto One you can maintain your working capital for the development of your business and choose a long term rental option that allows for lower monthly repayments and the ease of simply handing back your car at the end of the agreement.

Available throughout the Toyota and Lexus network, Kinto One offers a smart and seamless mobility solution that provides all the benefits of driving a new car without having to own one.

Choose next-generation mobility with Kinto One.

## HOW IT WORKS

### CHOOSE VEHICLE & CUSTOMISE PLAN

Simply select your vehicle and agree the repayment period and annual mileage parameters. You can also choose the number of rentals you wish to pay upfront – this can be between 1 and 6.

### PAY YOUR MONTHLY RENTAL

Rentals will be charged for the remainder of the agreed term. Your monthly rentals can include an optional maintenance package.

### VEHICLE HANDBACK

At the end of the agreed term your Dealer will contact you to arrange handback of the vehicle. There are no depreciation or disposal concerns, leaving you free to concentrate on the most important thing; running your business.

# HOW KINTO ONE CAN WORK FOR YOU

With Kinto One, you chose a partner for your fleet that never gives up, that keeps challenging and is always improving. Being a dedicated provider to the Toyota and Lexus network, you not only receive the benefit of fuel efficiency and excellent green credentials but also valuable tax and operating cost savings.

## NO INITIAL OUTLAY

No expensive capital outlay enabling you to maintain working capital for your business.

## FIXED COSTS

The fixed interest rate allows for effective budget control knowing that the cost is set for the duration of the lease agreement.

## HASSLE FREE

Enjoy hassle free fleet administration and let TFS take care of the admin for you while you focus on running your business.

## OFF BALANCE SHEET

As the lease is recorded off the balance sheet you will not be required to account for any steep losses in depreciation or disposal.

## PROTECTION AGAINST DEPRECIATION

No residual value risk upon completion of the contract.

## A LARGE RANGE OF HYBRID VEHICLES

Our range of vehicles respects the environment and guarantees minimal CO2 emissions while optimising your tax affairs.

## KINTO ONE OPTIONAL SERVICE AND MAINTENANCE PACKAGE

With Kinto One All Inclusive Leasing you can choose to include a comprehensive service and maintenance package for a fixed monthly fee. Here's what's included:

All routine servicing and maintenance due to fair wear and tear, including all parts and labour costs.

Roadside Assistance for the duration of your agreement.

Unlimited tyres - Subject to fair wear and tear.

## OUR EXPERTS NETWORK

With 46 Toyota Dealers and 4 Lexus Dealers located across Ireland, our network partners are on hand to provide expert knowledge of our fleet and to give you the support you need to kickstart your company's mobility.

Once your contract is up and running, our dedicated Kinto One Team will take care of your fleet administration allowing you to focus on what's most important - running your business. For more information contact your nearest dealer or visit [Toyota.ie/Lease](https://www.toyota.ie/Lease).
